3. Should you pet me? YES NO

4. Should you pet me? YES NO

5. Should you pet me? YES NO

1. No – Dog's tend to guard property & there is no owner present
2. No – Never bother a dog that is eating. Many dogs will defend their food
3. No - Dogs left by themselves for long periods can become anti-social, aggressive & territorial
4. No - Dogs are very protective of their pups and could see a harmless act (like getting too close) as a threat
5. Yes – If the owner is present and you get their permission, you can pet the dog.
