

Register Here: <https://runsignup.com/Race/MI/SaintHelen/SparkysTurkeyTrot>

This is a virtual race to fundraise for Dog Scouts of America, a national 501(c)3 non-profit - you can walk or run on your own time and you will receive a medallion for supporting this great cause!

Run or walk a 5K, 10K or 1 Miler and be rewarded with the first ever Dog Scouts of America wooden medallion.

All proceeds from this race will go to furthering the mission of Dog Scouts of America.

Registration closes November 15th. To earn your medallion, please run anytime during the week of Thanksgiving (November 22-29) and you will receive a medallion "on your honor" for supporting Dog Scouts and getting some miles in. Medallions will be mailed out after the race. You do not need to be a DSA member to participate.

During the setup of this race, we had to choose a location for the race to be based. The home base is the location of Michigan Dog Scout Camp, the happiest place on earth. But this race can be run from anywhere!

A virtual run is a fundraiser to bring people from all over the world to run together on their own time, in their own towns during the week of Thanksgiving. You can run after work, on the weekend, at your park or on your treadmill. You can also walk!

K9 Turkey Trotter

Register your K9 partner to walk or run with you.

After you register yourself, you will be given the option to register your K9 running partner. You can register as many K9 running partners as you wish. Registering your K9 partner(s) is free.

For a small additional fee, you can receive a second medallion to share with your K9 partner.
