

# Dog Bite Prevention Success

-  \_\_\_\_\_ I only pet a dog if the owner is with the dog and says I am allowed
-  \_\_\_\_\_ If I see a loose dog, I will stay away from it and tell an adult immediately
-  \_\_\_\_\_ I will stand very still (like a tree) and be quiet if a loose dog comes near me
-  \_\_\_\_\_ I avoid looking directly at dog's eyes
-  \_\_\_\_\_ I don't run or scream when a dog can see me
-  \_\_\_\_\_ I stay away from a dog while it's eating or chewing on a toy
-  \_\_\_\_\_ I am kind to all dogs and don't tease them
-  \_\_\_\_\_ I don't cause pain or discomfort to any animal
-  \_\_\_\_\_ I avoid touching or bothering a dog when it is sleeping
-  \_\_\_\_\_ If a dog knocks me down, I stay down (like a log) on my stomach with my hands over my neck till the dog goes away
-  \_\_\_\_\_ When the owners say I can pet their dog, I always let the dog come to greet me first and I do not approach a dog if it is trying to move away from me.
